Gender Pay Gap Report 2021

Aston Villa Football Club (AVFC) is committed to creating a diverse, inclusive and gender-balanced workforce.

We strongly believe in our policy to recruit the most suitable person for the job, irrespective of their gender. We are transparent in our data by showing our true Gender Pay Gaps, both including and excluding our Professional Men's Playing Team to provide clarity and remove bias and distortion in our report

Gender Pay Gap *- as at 6 April 2021*

Whilst we have a mean gender pay gap of 84.35% and Median gap of 5.00% (with Professional Playing Team included), this figure reduces to 26.25% and 2.73% respectively when the Professional Men's Playing Team are not included. We are pleased to report that our mean gender pay gap is now below the UK's National Average of 15.4% (without Professional Playing Team). This is a reflection of the positive work undertaken so far across the Club and we will continue to drive this forward in future years.
